**Subcategories**

## Cat5e, Cat6, Cat6a

At World Cord Sets, Inc, we carry a wide range of Cat5E, Cat6, and Cat6a Ethernet Patch Cables. Whether you are doing a home, SOHO, business, or data center installation, you can be sure we carry the phone and network cables to meet your needs. Our standard stock cables range from 1FT to 100FT in Black, Red, Yellow, Gray and Blue colors. Other colors are available upon request.

## Fiber Optic

Fiber Optic Patch/Jumper Cables are used to connect short distances between switches, routers, patch panels, MTP cassettes, servers, and more. We have a wide range of OM4, OM3 OS2, and MTP cables to fit your needs.

## USB, SATA

Our large selection of STOCK USB & SATA cables makes it easy to find the cable you need. We stock USB A, B, MicroB, USB C for connecting laptops, printers, monitors, hard drives, and more.

## Video Cables & Switchboxes

## Infrastructure/Cable Management

World Cord Sets provides a large selection of Infrastructure/Cable Management products in order to ensure your facility stays tidy. With Patch Panels, Keystone Jacks, Wall Plates, and Wire Ties, you can outfit your entire network with one stop shopping.
